## Roberts Neighborhood Association Takes 2nd Place in CHILI CHALLENGE

SUPERVISOR VALADEZ & HIS ENTRY

The inaugural 29<sup>th</sup> Street Coalition CHILI CHALLENGE was cooking at Freedom Center, Sunday, April 17. Circle your calendar for '06 if you missed this hot event.

Bragging rights for the Traveling Business Trophy winner went to our own Ray of Al's Ace Hardware for his entry of Sicilian Chili. He was asked for the recipe, and we were 'told a little of this and a lot of that.'

Open CHILI CHALLENGE winners were 1<sup>st</sup> Place to Michelle Ain of Alvernon Heights, 2<sup>nd</sup> Place to Roberts Neighborhood Associations' entry of Polish Chili cooked up by President Kim Dylewski and her helper, Ronni Kotwica. 3<sup>rd</sup> Place, making a clean sweep of the neighborhoods was Myers.

Co-sponsor's of the fundraiser were Al's Ace Hardware and Tucson Parks & Recreation East District. A BIG thank you goes to the Al's crew of Alan, Ray, and Greg, plus all their supporting staff, and Jim Conroy, Superintendent from Parks & Recreation and the entire staff at Freedom Center. Without their dauntless efforts, this would not have become a reality.

Over 300 hungry tasters sampled the 15 entrant's gourmet chili. Thanks to all participants for taking their time to cook up those secret recipes.

A big thank you goes to WARD V, Fiesta Market, Old Pueblo Trophy, and 7-11 for their donations making this a huge success.

ALAN & KIM

The City of Tucson Parks & Recreation Department, Freedom Center, Family Advocacy, Resource & Wellness Centers, Inc. (FARWC) and the Marana Health Center "joined forces" to open a health care clinic at Freedom Park. The 29<sup>th</sup> Street Coalition lobbied for completion of this building for many years, and Myers Neighborhood Association, Myers-Ganoung Family Resource and Wellness Center and FARWC worked for a clinic setting, an outstanding accomplishment for everyone!

Freedom Park Health Clinic offers accessible, affordable primary health care provided by a family nurse practitioner, medical assistant, health care clerk. An eligibility worker assists clients with the AHCCCS registration process. AHCCCS plans, and most other medical plans – including Medicare are accepted. Sliding fee scale for those without medical insurance; reduced fee prescriptions/labs are available. Freedom Park Health Clinic is open Tuesdays & Thursdays with extended hours by summer. The emphasis is on "Health For All – Salud Para Todos"! The belief of those collaborating is that through linking various community intervention services, the Tucson community offers all its citizens an improved quality of life. It is important to recognize the contribution of the Tucson LINKS Grant – "Linking Intervention Networks for Kids in Schools" – a Safe Schools/Healthy Students Initiative funded by the U.S. Departments of Education, Justice and Health and Human Services. Tucson's major school districts received this grant in 2002.

The Marana Health Center offers the following medical services:

# Caring & Sharing Project

April 12 & 13, 2005 saw Pantano Christian Church Motorcycle Group reroof Eva and Ray Lugo's home. You may know Eva, who has worked at Roberts Elementary for over 33 years. Her current position is as a teacher's assistant. Ray probably coached you or your children in the Randolph Little League. Al's Ace Hardware graciously donated all the materials for the roofing repair project. ELASTEK donated the rubberized roof coating to finish the job.

TAKING A WELL DESERVED BREAK

Many Roberts Neighborhood Association neighbors, plus members of the Coalition and school colleagues ascended on the Lugo home on Saturday, April 16 to whack weeds, trim hedges, mow lawns, and toss lots of stuff that was no longer needed. Environmental Services provided the Naylor neighborhood a roll-off that was placed on the Lugo's street. Many neighbors took advantage of its close proximity and helped us fill it up.

WARD V provided water, *eegee's* sandwiches, and drinks for the hungry volunteers who enjoyed lunch and the good company. HOME DEPOT donated gift cards for the interior drywall repair and painting project.

**HELP NEEDED: Skilled Drywall Repair Person to finish the project!**
